## English

Re baapu tune sikhaya  
Jo kabhi bhoola nahi  
Galti na ho toh  
Sooraj ki ankhon mein taad le

Jahan ko pade woh kadam ruke nahi  
Soch aisi ho chattano ka bhi  
Seena phaad de

Logo se tere ghutne  
Ajj tak teke nahi gaye  
Kyun ki aiso se kabhi  
Ghamand ke kapde feke ni gaye

Aur jo datta re akhiri saans tak  
Woh sathi hota hai  
Oh sach ka khada bhi  
Ek anek mein beta kaafi hota hai

Aur jo hakk ke liye lade sabse  
Woh baap hi hota hai  
Peeth pe chadhke duniya dikhe jiske  
Woh baap hi hota hai

Aur jo daante chaahe maare  
Par dil ka saaf hota hai  
Zyada fikar na kare zamane ki  
Woh baap hi hota hai

Bapu teri khoobi saari  
Mujhme sama rakhi  
Oh tere jaisi maine  
Izzat kama rakhi

Oh jab farz uthaya  
Jimmedariyon ka tab se hi

Dukhi maine kabhi nahi maa rakhi  
Woh roz mujhme teri chhavi  
Dekha karti baapu

Parchhaiyan sheron ki kahan marti  
Ek wajah hoti hai jo jeene ki baapu  
Woh maa ki aankhon mein dikha karti

Tu nahi duniya mein  
Par teri baat rahe  
Rampal fauji ke poton ki  
Poori thath rahe

Oh rakh ke haath jo sar pe  
Mita de gham saare  
Baap hi hota hai  
Sahi aur galat mein farak batawe  
Aisa baap hi hota hai

Aur jo daante chaahe mare

Re bapu ankh mein le aasmaan se  
Jab jab chehra tera dikhta hai  
Main roz ladoon toofan se banda  
Tehar kahan khichta hai

Main roj punchhu bhagwan se  
Kyun tu sath nahi dikhta hai  
Tu taras hi khake jagah bata de  
Khwaab jahan bikta hai

Kyun na wahin se hi jaake  
Main khareed loon  
Mujhe maange se pyar milta nahi  
Par tera hi diya hua sab rakha  
Bhole bas mujhe baap dikhta nahi

Aaj tere bina bhi main  
Teri hi nazron se duniya dekhta hoon  
Main aaj bhi tere na hone ka dukh  
Ek haste hue chehre se lapet ta hoon

Bapu teri duaein kuch  
Is tarah mere sath hain  
Aaj dharti pe khada hoke main  
Poore ka poora aasmaan samet ta hoon

Baapu, baapu  
Baapu, baapu

Aur jo daante chaahe mare  
Par dil ka saaf hota hai  
Zyada fikar na kare zamane ki  
Woh baap hi hota hai.
