

Feel The Rhythm Lyrics

English

Feel the rhythm
Duniya hila doon,
Koi roke kya mujhe,
Chaand pe chal doon,
Koi toke kya mujhe..

Sabko nacha doon,
I'm gonna move it like mj,
Mere dil mein jalti hai,
Sitaaron se bhi bright..

Feel the rhythm tonight!
Can you feel it tonight..
Feel the rhythm tonight!
Can you feel it tonight..
Feel the rhythm tonight!
Can you feel it tonight..
Bajney do yeh toh hai feeling right..

Nayi beat ye naya groove,
Yeh chadne laga hai,
Sabhi ke sabhi bhadakne lage,
Mera nasha hai..

Nayi beat ye naya groove,
Yeh chadne laga hai,
Sabhi ke sabhi bhadakne lage,
Mera nasha hai..

Bass badha doon,
Koi roke kya mujhe,
Tujhko dikha doon,
Koi toke kya mujhe..

Sabko nacha doon,
I'm gonna move it like mj,

Mere dil mein jalti hai,
Sitaaron se bhi bright..

Feel the rhythm tonight!
Can you feel it tonight..
Feel the rhythm tonight!
Can you feel it tonight..
Feel the rhythm tonight!
Can you feel it tonight..
Bajney do yeh toh hai feeling right..

Soch soch ke dance na karna,
Ik rhythm ik beat padkadna,
Moonwalk karte hi ja, o yeah..

Ik nazar jo mujhpe daale,
Meri dhun mein khud ko paaye,
Naach naach ke ghum ho jaaye,
Yeah..

Dil toh behla doon,
Koi roke kya mujhe,
Khudko bhula doon,
Koi toke kya mujhe..

Sabko nacha doon,
I'm gonna move it like mj,
Mere dil mein jalti hain,
Sitaaron se bhi bright..

Feel the rhythm tonight!
Can you feel it tonight..
Feel the rhythm tonight!
Can you feel it tonight..
