Kehndi munde mere kolon langne ton darde
Par asi tilla pur ja kasske aa
Tu katal kitte more
Next time meri ho tenu khali hath jaan nahiyo dena
Haaye teri eyes cause fire billo
Challe jiven mines town blast billo
Haaye teri eyes cause fire billo
Challe jiven mines town blast billo

Arrey bachke tu reh baby tujhpe mera nishana
Lekar hatunga teri jis cheez ka hoon diwana
Maine bhi chorha na re koi bhi shikar
Tere mere bheech ki hata dunga deewar
Aaj tujhpe na main karunga reham
Agar jyada pain doon toh kar lena sehan
Sach bataun tujhe aaye ga mazaa
Uski doonga saza zra paas toh aa
Jo tunne aaj tak baby ke hain katal
Ilzaam tere saare le loonga apne sirr
Chemist se jo lena thaa woh maine le liya
Tu bss mere saath chal aa hotel

Tu mere utte haavi jiven charhdi ae ash
Saheli teri nu tan main karayi brhi aish

Tu mere utte haavi jiven charhdi ae ash
Saheli teri nu tan main karayi brhi
Full loafer di garaari tere utte aa fry
Baaran hertz di power lagdi aen
Haaye teri eyes cause fire billo
Challe jiven mines town blast billo
Haaye teri eyes cause fire billo
Challe jiven mines town blast billo.
