

Firse Machayenge Remix Lyrics

English

Alright we drinkin a lassi
Movin our body
I'm masala with a sauce
And I never take an off day

Chai stand post up no latte
Bidi smoke cloud puff puff
Varanasi selector
Play one of those hits

India you ain't never seen colors like this
Turquoise and the orange
And the yellow & the pinks
Fell in love as a sunset

Into the abyss grab your waistline
Kiss your neck to the bass line
Hold us slow it down dave brubeck
Take 5 let me do my 2 step

Crossover a.I peel off in the whip
Through a gray sky skkrt skkrt windows up
Watch the world disappear
As we kick up dust

Let the magic of the night go
And do what it does
Never get in a way of somebody
Falling in love.. I'm gone

Fir se machayenge remix bajade public kar ri shor
Meko dekh main machara mere saath mein macklemore
Daru chod ghumenge firenge piyenge hum lassi
Hater log pareshan hai soche kaise hai tu fassi.. Merese

Dil dekh ke pada tha na farak mujhe chehre se

Kisi ki parwah nahin hai muje matlab tere se
Sirf teko milne ke liye nikalta hun mein ghar se
Khulam khula pyaar karenge nahin karenge dar ke

Tere gharwale bhadke toh mana lunga
Jyada din nahin baby teko meri wali banalunga
Challenge hum trip pe tab khana wana bana dunga
Guitar bajane aata hai pyaara gaana suna dunga

Doosre ke pyaar mein girne se tujhe bacha raha hoon
Sab mujhe bhaav de rahi phir bhi sab ko wata raha hoon
Tere baare mein sabko achi baatein bata raha hoon
Tere liye mummy daddy ko main ghar pe mana raha hoon
Sahi mein..

Wazan thodi meri ghata raha hoon
Tujhe lean body pasand hai
Main healthy khaane chaba raha hoon
Sun ne main aaya hai tu london mein rehti hai
Abhi ke abhi jaake pehli ticket kata raha hoon

Machayenge gaana baj ra global
Bantai ki public full fire yaha koi nahin sober
Sabko izzat milna chahiye koi ni yaahan pe naukhar
Hasna sikh le warna zindagi bita le ro kar
Marzi teri..

Achi soch rakhta kaam kar bana apna mauka
Seekh un logo se jisne diya tujhe dhoka
Kisne roka tera nauka tu chalega tere daam par
Duniya dekhegi tujhe tu jaake pehle kaam kar

Salam kar bade ko koi kalam bano
Gardi mein safar kiya toh jaake tum udaan bharo
Birthday pe party nahin birthday pe daan karo
Jo bhi ud rele hawa mein kya tum abhi chaand par ho

Tu koshish kar shuruat mein thoda sa suffer hai
Kaam karte saath mein haan rakhna thoda sabar hai
Paisa double hai jab bhi tera waqt aayega
Kisi ki garj na rakhna mehnat karke laayega

India mein bajta tha gaana duniya bajayega
Paisa kamana aasan hai pyaar kaise laayega
Swimming pool chhod apan samandar mein nahayega
Fir se machane bole haan firse machayega..
