

Flip Your Collar Back Lyrics

English

Dating karegi
Kya single chori
Setting karegi
Kya single chori
Khandala ghumaunga
Fokat mein love you likha
Dunga locket mein
Sabhi ko wo dikha aana
Tadi mein yu tu aa jana

Flip your collar back
Flip your flip
Your collar back
Flip your collar back
Move to the side now
Flip your collar back
Flip your flip
Your collar back
Flip your collar back
Move to the side now

Sunday ko
Challenge picture bhi
Bike pe lagenge
Chakkar bhi
Tu college se mere
Liye maar lena kulti
Hai jo hai to meri hi tarah

Flip your collar back
Flip your flip your collar back
Flip your collar back
Move to the side now
Flip your collar back
Flip your flip your collar back

Flip your collar back
Move to the side now

E e e ek pipe se dono
Ek naariyal le ke
Half half pee le
Half half pee le
Late raat ko hum tum
Baat phone pe karke
Saans chain ki le
Saans chain ki le
Number kya degi
Tu single chhori
Number tu legi
Kya single chhori
Topup kara dunga
Fokat mein
Apun ke atm pocket mein
Main hoon tera tu pat ja naa
Saheli se too cut ja na

Flip your collar back
Flip your collar collar
Flip your collar back
Move to the side now

Flip your collar back
Flip your collar collar collar
Back back back
Back back back yeah
Flip your collar back back
Flip your collar
Back back back
Flip your collar back back
Flip it you know what
I m talking about
You know what i'm
Talking about comon

Aur shortcut saare

Dekh pyaar ke lambe
Route yehi easy
Route yehi easy
Somvaar se leke

Baaki dinon mein
Awaargardi
Garmi ho barkha
Ho ya ho sardi
Ghumaane phiraane
Ka promise hai
Tujhipe maru ye
Bhi koshish hai
Kating chai si tu bhaaye
Zara honthon se lag jaana
Aa haan

1 2 3 3 3 3 4
Flip your collar back
Flip your collar collar
Flip your collar back
Move to the side now

Back back back
Back back ya haha.
