

# Forget About It (Title) Lyrics

## English

BYG BYRD on the beat...

[Bruce Lee Speech]

This is what it is?

I said empty your mind

Be formless, shapeless

like Water

Now you put water in a cup

It becomes the cup

You put water into a bottle

It becomes the bottle

You put it in a teapot

It becomes the teapot

Now water can flow or it can crash

Be water, my friend...

Sss Sidhu Moose Wala!

Oh area'chon phirde aa ban karde

Sitt laina Sidhu nu plan karde
