

Freeverse Feast (Daawat) (Title) Lyrics

English

I eat rappers 'cause Imma motherf**king beef rapper
Teach rappers how to rap
After that, you can sleep rappers
Eat rappers
'cause Imma motherf**king beef rapper
Teach rappers how to rap
After that, you can sleep rappers

They gonna be calling me
Copy of Eminem, that's okay
They gonna be saying my accent is weak
B**ch that's okay
They gonna keep hating
But waiting for my track, that's okay
But I am a motherf**king rapper bit*h
I am not okay
So stop telling me do this do that
I don't know you so you go there
So you, you, you, you, you, you, you
Everybody mothaf*ckin prove this now

I am representing India
No one else doing it right now
Doing this for country
Still, they wanna fight, let's fight now

I'm representing India
B*tch, I'm straight outta hell
I'm representing India bit*h
I'm straight outta hell
I'm representing India bit*h
I'm straight outta hell
And off ill
And off ill
Gimme the beat, I'm gonna kill

I'm gonna kill, I'm gonna chill
I'm gonna do what I just feel
You people busy complaining
I'm paying expensive bill
If you think I'm stupid bit*h
Better go and check your skill
All these Doug is saying they are rappers
Go and pop your face, wait!
Let me take my flow fast
Right now I'm doing still fast so that
I can take long breath
Pick it up I'm gonna throw that
I've started walking ahead
For me, there is a no back
It's time to change the flow
You can do it, It is so bad
These rappers busy choosin' their topics
Somebody comics, I think you people having fever
Go get a tonic
My fans got all my symptoms

Teri maka saki naka
Jo bhi tere piche bhaga
Usey maine bola phat phat rukne ko
Phat phat rukne ko
Khuda ke alawa kaun bola tereko
Kisi ke saamne jhukne ko
Tera bhai bhott kuch kehta hai sehta hai
Itna kuch hai isliye toh behta hai
Pani sa sa re ga ma pa ni sa
Biwi banegi toh rakhunga rani sa
Hadd kare paar zindagi ko woh kam kare baat dil se bolunga
Dhatt teri maa lekin gaali nahi deta mere gaane mein
Sun meri baat tujhe bhool chuka hoon
Sun meri baat tujhe mil chuka hoon main
Sun meri baat nahi karna hai yaad
Nahi bolna hai kuch tere baare mein

Hear me, I don't wanna remember or talk about uh
Everyone hurry here if uh want to study,there's lot to study here
Everyone has a suggestion here but I have too many brothers here
And the bars are real here there are many steps to life's staircase
Everyone hurry here if uh want to study,there's lot to study here
Everyone has a suggestion here but I have too many brothers here
And the bars are real here there are many steps to life's staircase
