Hey you, let me tell you something  
Pump this jazz in your speaker, like this..

So, rip up the blow like a bad man  
They won't know what's happening  
Four drinks down I'm dancing

But I don't wanna ho home

When we step in it so far  
Whether you no match so far  
I told you man that it's over

I don't wanna go home

Nachna main saari raat, main taan ghar nai jaana  
And I don't give a what, main taan ghar nai jaana (No Way)

Main taan ghar nai
