Gaadi meri one in a million..no you never seen it,  
Haters mere baare gallan karde forever dreaming,  
Peening for a spot light trying to get on my level,  
But i'm laughing at these fools i'm forever steaming,

Riding in my gaddi notan di thaddi,  
Look what they talking saale kabab mein haddi,  
You pick that you know me but no you don't buddy,  
Agar panga liya toh nanga kiya you shitting in chaddi,

I said it before but i say it again,  
Nobody can mess with kdm,  
And make it rain no atm,  
I'm out of the store like adm,

They're are like so damn buddy i don't understand,  
Kardi aa fly yeah gaddi meri kaim,

Gaddi meri kaim kardi ae fly,  
Tail la ke kitti ae appan puri modify,

Jandi sky high haigi badi fly,

Gaddi meri..a one in a million,  
Gaddi meri..a one in a million,  
Gaddi meri..a one in a million,
