Gairon se suna tumne
Kuch humse kaha hota
Kuch humse kaha hota
Kuch humse suna hota

Gairon se kaha tumne
Gairon se suna tumne
Gairon se kaha tumne
Gairon se suna tumne
Kuch humse kaha hota
Kuch humse kaha hota
Kuch humse suna hota
Gairon se kaha tumne
Gairon se suna tumne

Yun chahne walo se rutha nahi karte hain
Iss tarah mohabbat ko rushwa nahi kate hain
Dil lete hain dil deke ye rashme mohabbat hain
Bus iske shiwa koi sauda nahi karte hain
Thoda sa yakeen tumne hum par bhi kiya hota
Thoda sa yakeen tumne hum par bhi kiya hota
Kuch humse kaha hota
Kuch humse kaha hota
Kuch humse suna hota
Gairon se kaha tumne
Gairon se suna tumne

Apno se kabhi jaanam parda bahi hota hain
Auro pe yakeen karna achha nahi hota hain
Ye chumate hotho ko seene se laga lete
Aur kehete ki har chehara tumsa nahi hota hain

Tum humse jo kehate to daaman na jhala hota
Tum humse jo kehate to daaman na jhala hota
Kuch humse kaha hota
Kuch humse kaha hota
Kuch humse suna hota
Gairon se kaha tumne
Gairon se suna tumne

Aawaz se kya matlab anjaam se kyaa hasil
Shikwo se shikayat mein ilzaam se kya hasil
Behtar hai ke चाहत mein har baat bhula de hum
Betaabi badhe jisse uss kaam se kyaa hasil
Ye sochate pehale to anjaam juda hota
Ye sochate pehale to anjaam juda hota
Kuch humse kaha hota
Kuch humse kaha hota
Kuch humse suna hota
Gairon se kaha tumne
Gairon se suna tumne

Kuch humse kaha hota
Kuch humse kaha hota
Kuch humse suna hota
Gairon se kaha tumne
Gairon se suna tumne
Gairon se kaha tumne
Gairon se suna tumne
Gairon se kaha tumne
Gairon se suna tumne.
