

# Golmaal (Title Track) Lyrics

## English

Golmaal!

Hello, hi, namaste, salaama  
Aa gaye phir se karne hungama  
Lyricsbogie.com  
Boring lamhon ko karde gulaabi  
Jashn rukne na denge zara bhi

Apna famous hai yaarana  
Apne sang tu bhi aa jaana  
Chhod duniya se sharmana  
Zoron zoron se tu chillana

Go..go..golmaal  
Go..go..golmaal  
Everything is gonna be  
Go..go..golmaal

Go..go..golmaal  
Go..go..golmaal  
Everything is gonna be  
Go..go..golmaal

Gham ko aye yaar ullu bana ke  
Khulke tu muskurana  
Chhod fikron ki ghanti bajana  
Dil ki dholak bajaa na

Seeti honthon pe le ya na  
Mauj masti ho rozana  
Josh kitna hai dikhlana  
Zoron zoron se tu chillana

Go..go..golmaal  
Go..go..golmaal  
Everything is gonna be

Go..go..golmaal

Go..go..golmaal

Go..go..golmaal

Everything is gonna be

Go..go..golmaal..
