Goraa to office me kaam karataa hai  
Bivi ko jhukake salaam karataa hai  
Faishan ki vo chize laae to kaise  
Maidam ke nakhare uthaae to kaise  
Are naaraaz rahati hai usaki lugaai  
Nambar do ki na usaki kamaai  
Sukh chain se vo bechaaraa bhalaa thaa  
Shaadi shudaa se kuvaaraa bhalaa thaa  
O uchi dukaan hai  
Uchi dukaan magar phikaa pakavaan hai

Raani kaa shauhar sharaabi juaari  
Usako to hai res ki bhi bimaari  
Ghodo pe laakho ki daulat lutaataa  
Mehanat kaa paisaa vahaan haar aataa  
Are botal se kitani mohabbat hai usako  
Pine pilaane ki aadat hai usako  
Haa jhagadaa kare roj bivi ko maare  
Baahar kaa gussaa vo ghar me utaare  
Har pal tadapati hai haay daiyaa

Har pal tadapati hai mushkil me jaan hai  
Mar gai re

Goraa pareshaan hai kaalaa pareshaan hai

Gharavaali pareshaan hai

Are koi bharosaa na mardo ki baat kaa  
Kaise yaki kar lu aurat ki jaat kaa  
Ye mard khud ko samajhate sayaane  
Aurat ki fitarat khudaa bhi na jaane  
Are ham naa karege tumhaari gulaami  
Ham bhi tumhe ab naa dege salaami  
Aurat ki izzat tumhaaraa dharam hai  
Chhodo na in baato me ab kyaa dam hai  
Nashe me chur hai tu  
Badi magarur hai tu  
Badaa chaalaak hai tu  
Badi bebaak hai tu  
Akad teri buri hai  
Tu bhi mithi chhuri hai  
Tu giragit ki nali hai  
Tu koi chhipakali hai  
Uchhal naa bandar jaise  
Chale bandariyaa kaise  
Na kar mujhase ladaai  
Pakadane de kalaai  
Mere nazadik aa naa  
Mujhe nakhare dikhaa naa  
Jaa naa  
Aa naa  
Are jaa naa  
Are aa naa  
Jaa naa
