

Gotta Go (Title) Lyrics

English

Have you been playing me for long?
With all these pictures all in your phone
Like I would never ever know?
Oh oh...

Cause you been running your mouth all morning
Like I'm the, only one you love, stop lying!
I know, you been on your phone all night, all night

So don't you ever ever say you're sorry
When you know that you had me fooled stop crying
It's all words you can't change my mind, my mind

Now you're running all over the floor
How could you do this to me on my birthday
While you up in the club Balamore ooh

So take your shit girl and get out my door
I hope you find what it is you been searching
Cause you... gotta go!

Tennu main yaad rakhanga
Bhull jaa mainu
Tod'ta dil tu mera soniye kyun

Ni tu nave nave yaar bana le
Tode kasama te waade tu
Saanu chhadna si je azma ke
Dil sadde naal laaiya kyun

Je tu kardi wafa
Eh ni mildi saza
Mainu laande si tu laare
Ni tu akh na milaavi
Ni bahaane kaahton laavi
Jhoothe si tere kaare

Now you're running all over the floor
How could you do this to me on my birthday
While you up in the club Balamore ooh

So take your shit girl and get out my door
I hope you find what it is you been searching
Cause you... gotta go!

Gotta go!

Gotta go!

You can meet somethin' like**
Some feeling
So tell me I'm mad I wasn't
Tell me its really worth it in the end
In the end

Now you're running all over the floor
How could you do this to me on my birthday
