English

Thodi range'an nalo tezz
Saadiyan nazran chaldiya ne
Thodi range'an nalo tezz
Saadiyan nazran chaldiya ne

Haath jodonge mathe tekonge
Pari peke jaaonge

Ho saade wargi saade wargi
Saade wargi zindagi jeen de
Supne vekhde oh..

Oh saade wargi jigra kitho leke aaonge
Oh saade wargi jigra kitho leke agonge

Ho dolphin'an warge shareer ohna kar le
Kha kha ke pizze gogdan ne vadiyan
Saadeyan pairan te aake khadna je chahuna ae
Katt le udaasi vich 3 sadiyan

Yaaran di chadhayi da level haiga up
Dekh ke mandeer head down kardi
Paunde na jaraban boot chad ke ne daude
Aina di routine saadi ankh padh di

Maas khani jaat saadi sheran naal bandi ae
Cholleyan di dari chon swaad aunda na
Bina soche kar jo vi tere dil vich
Thought kade marne ton baad aunda na

Ho saade wargi saade wargi
Saade wargi zindagi jeen de
Supne vekhde oh..

Oh saade wargi jigra kitho leke aaonge
Oh saade wargi jigra kitho leke agonge

Oh gill chowk laage yaar tera khadu
Vekh layi chennai tak shor houga
Udd jani jinni aithe totayan di daar
Bajaan utte vekhi hun gor houga

Gawache bermuda ch jahaz labh jaange
Gawache bermuda ch jahaz labh jaange
Jatt de lakoyo asle ni labhde
Loki saale lukde aan bhaj de aan maut kolon
Singe ohni firde aan maut labhde

Oh different jehi thinking saadi
Different jehe shaunk ne
Different jehi thinking saadi
Different jehe shaunk ne

Ho saade wargi saade wargi
Saade wargi zindagi jeen de
Supne vekhde oh..

Oh saade wargi jigra kitho leke aaonge
Oh saade wargi jigra kitho leke agonge

Ho malpuro uth singga diggeya ae kinni vaari
Kise naal karda na gila baliye
Ho malpuro uth singga diggeya ae kinni vaari
Kise naal karda na gila baliye

Aap paavein footpath'an utte reh lu
Bapu nu bana ke dena kila baliye
Bapu nu bana ke dena kila baliye

Ho saade wargi saade wargi
Saade wargi zindagi jeen de
Supne vekhde oh..

Oh saade wargi jigra kitho leke aaonge
Oh saade wargi jigra kitho leke agonge.
