English

Western pendu!

Ohdan waise chalde mukadme vi kayi ne
Kujh ek najaiz kujh chalde vi sahi ne
Hmmm..aaa...

307 te 751 de
Laaya si hisaab kull bane 22-23 ne
Chhotu teri umar kinni aa, oye?

Ho baneya shareef duniya ni manndi
Kadna pauga koi sapp lagda
Dabban vichon kadd ke sandookan vich dhare
Bada chir hoye vekhe nu blood wagda

Ho enna gundagardi ch fame ghatt ho gaya ji
Saala kaand koi kare naam sadda lagda
Gundagardi ch fame ghatt ho gaya ji
Saala kaand koi kare naam sadda lagda

Ho zindagi naal sadda na koi match balliye ni
Aivein kahton hunni jaani ae attach balliye
Sadde muhaan te rumaal moddeyan te AK 47 aa
Vairiyan di hikk chadh khed'de diwali aa
Farsh ch doggie tere bed utte billiyan
Gundeya naal yaari laake akhaan rehn siliyan

Na na na.. ehhehe
Na na na..
Na na na gal kar naa pyar di
Goli naalo maut pakki likhi sippy yaar di
Goli naalo maut pakki likhi sippy yaar di

Ho mukke massa khade bade tagde vivaad hoye
Jatt huni chiran pichhon jail'an chon azaad hoye
Ho nafeyan ch sandh hunde, diggiyan ch bamb si

Bolde si oh munh sadde rehnde bandh si

Ho sadde bina eh record nai tuttne putt

Paayi ni main game kidnap karke

Yaar thoda level si up rakhda
