Hey...  
Ek ladki se jab aankhein hui char  
Maine bola haan ji  
Ladki ne kaha mere ban jao yaar  
Maine bola haan ji

Ek ladki se jab aankhein hui char  
Maine bola haan ji  
Ladki ne kaha mere ban jao yaar  
Maine bola haan ji

Sunday ko ek ring phenwa de  
Monday ko phir ho gayi yeh shaadi  
Woh boli saari umar karoge pyaar  
Maine bola haan ji

Ehhh  
Ek ladki se jab aankhein hui char  
Maine bola haan ji  
Ladki ne kaha mere ban jao yaar  
Maine bola haan ji

Oh yeehh..  
Now whatever in the world  
Is the man to do?  
When you see a lovely girl  
Like the one i see in you

Hum khus thee bade, haan ji

Phir aaya tuesday, haan ji  
Lauta ghar pe, haan ji  
Woh ruti ruti mili mujhe chath pe khadey  
Dar dar ke kahan, haan ji  
Kyun hai mujhse khafa, haan ji

Phir chali goliyaan haan ji  
Hiyee bhoola kaise bhoola tune mera birthday

Oh... when when  
Wednesday ko mangi meine maafi  
Thursday boli ye nahin hai kaafi  
Friday ko mujhse kasam khila di chaar  
Maine bola haan ji

Ek ladki se jab aankhein hui char  
Maine bola haan ji  
Ladki ne kaha mere ban jao yaar  
Maine bola haan ji  
Ohh noooo..

Oh you got me baby down...to the knees baby  
I m a lovea lo stuck on you..  
You got a man down to the knees baby  
I m a lova lo stuck on you

Oh saturday sunday, haan ji  
Wo har din gum de, haan ji  
Kahan fhaas gaya bande, haan ji  
Hain gori gori baahein yeh galey ka phandey  
Din saal mahina, haan ji  
Mera chain hai cheena, haan ji  
Muskil huwa jeena, haan ji  
Mein chup chup sahoon yeh jitney sitam de

Meehaaa..  
India mein toh democracy  
Ghar mein shuhar ki aisi taisi  
Yahan pe chale biwiyon ka sarkar  
Bolo sab haan ji  
Haan ji haan ji

Its just a little bit, ini mini mina mo...  
Its just a little bit, ini mini mina mo... yo

Ladoo hai ye aisa job hi khaye pachtaye, haan ji  
Sher sare ghar aake choohey ban jaaye, haan ji  
Chewing gum aisi hai ki job hi yeh chabaye, haan ji  
Ugali na jaaye nahi nigali yeh jaaye, haan ji  
Ini mini mina mo  
Ek bechara sab ko yeh samjaye  
Shaadi barbadi hai yeh haaye shaadi haaye  
Bilkul haan ji  
Shaadi barbadi hai ye haaye shaadi haaye  
Shaadi barbadi shaadi barbadi  
Haaye shaadi haaye  
Haaye shaadi haaye.
