## English

Ishq me jism jalne de,  
Ishq mein ruh jalne de  
Jara najdeek aa sanso ko  
Tu sanso se milne de  
Ishq mein jism jalne de,  
Ishq mein ruh jalne de  
Jara najdeek aa sanso ko  
Tu sanso se milne de  
Aise bahoo mein

Bhar na mujhe sathiya  
Ek pal meom pighal jaungi  
Thodi baki rahi mohabbat to  
Tujhse milne mai kal aungi  
Tu khai leli ya azizi  
Tu khai leli ya asidi  
Tu khai leli ya azizi  
Tu khai leli ya asidi  
Ya wastam jawahal hasi wal habibi  
Ya wastam jawahal habibi  
Ya wastam jawahal hasi wal habibi  
Ya wastam jawahal habibi

Teri ankhe jo sagar hai  
To mujhko dub jane de  
Tera dil agar pathar hai  
To mujhe tut jane de  
Meri ankho ke sagar mein  
Doobo aur har wakt doobe raho  
Mujhse takara ke  
Tum chot khate raho aur  
Har wakt tute raho

Fanah phir gayi afizi  
Fanah phir bayi wasidi

Fanah phir gayi afizi  
Fanah phir bayi wasidi  
Ya wastam jawahal hasi pal habibi  
Ya wastam jawahal habibi  
Ya wastam jawahal hasi pal habibi  
Ya wastam jawahal habibi

Mere aghosh me aaja,  
Mujhe madhosh hone de  
Kabhi do pal ko jagne de,  
Kabhi do pal to sone de  
Wakt sone ka ab to nahi  
Ek pal wakt ki tej raftar hai  
Band ankhe karo aur socho  
Jara sara sara alam hi raftar hai  
Fanah hmma wasidi  
Ada hamma wasidi  
Fanah hmma wasidi  
Ada hamma wasidi  
Ya wastam jawahal hasi pal habibi  
Ya wastam jawahal habibi  
Ya wastam jawahal hasi pal habibi  
Ya wastam jawahal habibi

Ishq mein jhakham milne de,  
Ishq mein dard milne de  
Jara najdeek aa jakhmo ko  
Jakhmo se silne de  
Jakham kaise hai  
Ye dard hota nahi ek pal  
Ishq bechainiya mujhe  
Chain dene lagi kya mujhe  
Ho gaya ajkal  
Tu khai leli ya azizi  
Tu khai leli ya asidi  
Tu khai leli ya azizi  
Tu khai leli ya asidi  
Ya wastam jawahal hasi wal habibi  
Ya wastam jawahal habibi  
Ya wastam jawahal hasi wal habibi

Ya wastam jawahal habibi

Ya wastam jawahal hasi wal habibi

Ya wastam jawahal habibi

Ya wastam jawahal hasi wal habibi

Ya wastam jawahal habibi.
