## English

Halle halle zara haulle haulle  
Halle halle zara haulle haulle  
Halle halle zara haulle haulle  
Yeh raat aage chale zara halle halle  
Koyi baat aage chale zara halle halle  
Yeh raat aage chale zara halle halle  
Koyi baat aage chale zara halle halle  
Roz kahan aisi mehfil aur aisi dhoom haan  
Yaar balle balle balle balle balle balle  
Yeh raat aage chale zara halle halle  
Koyi baat aage chale zara halle halle  
Halle halle zara haulle haulle

Halle halle zara haulle haulle come on  
Halle halle zara haulle haulle  
Halle halle zara haulle haulle

Na woh main na woh tu  
Na woh hum badal gayi duniya  
Reh gaye pichche dil aage nikal gayi duniya  
Kaun kahan par kaun kahan par  
Chhod dhoom dhaam  
Yaar balle balle balle balle balle balle  
Yeh raat aage chale zara halle halle  
Koyi baat aage chale zara halle halle  
Tara ra ra chhaiya chhaiya chamma chamma aur  
Balle balle balle balle balle balle  
Halle halle zara haulle haulle  
Halle halle zara haulle haulle  
Halle halle zara haulle haulle  
Halle halle zara haulle haulle

Dil mein jo bas gaya  
Dil se woh nikalta nahin  
Aasman haan hai yeh faisla badalta nahin

Phool mile ya kaante chatt chod dhoom dhaam  
Dil jalle jalle jalle jalle jalle  
Yeh raat aage chale zara halle halle  
Koyi baat aage chale zara halle halle  
Tara ra ra chhaiya chhaiya chamma chamma aur  
Balle balle balle balle balle balle  
Yeh raat aage chale zara halle halle  
Koyi baat aage chale zara halle halle  
Yeh raat aage chale zara halle halle  
Koyi baat aage chale zara halle halle.
