Ve main tethon ehi chahuni  
Hass ke bulaya kar

Nikkiyan nikkiyan gallan utte  
Na munh je banaya kar

Kajre te gajre main tere layi hi paye ne  
Ek waari tu te mainu dekhya ni haye ve  
Tere naal naal rehnde mere parchaye ve  
Mere naal naal rehnde tere parchaye ve

Ve main teri haan deewani  
Na enna rovaya kar  
Ve main tethon ehi chahuni  
Hass ke bulaya kar

Chadd gyi je tenu  
Pher kalla beh beh royega  
Manak'a ve mere jeha  
Pyaar kithon leyaega

Chadd gayi je tenu  
Pher kalla beh beh royega  
Manak'a ve mere jeha  
Pyaar kithon leyaega

Kon tenu bar bar ruse nu manaugi  
Lai gaya je hor koi pher pachtaenga  
Lagna ni phone mera jadon vi milaenga  
Main taan tenu milna ni  
Tu hi milne aayenga

Main sunni kar dayu zindagi teri

Na inna sataya kar

Ve main tethon ehi chahuni

Hass ke bulaya kar

Nikkiyan nikkiyan gallan utte

Na munh je banaya kar.
