

# Hath Mei Daru Nahi (Title) Lyrics

## English

Hath mein daru nahi juice ka glass  
Banda hoon main seedha sadha itni si baat  
Bandi pati thi in 10th class  
Uske baad sab bakwas  
Hath mein daru nahi juice ka glass  
Banda hoon main seedha sadha itni si baat  
Bandi pati thi in 10th class  
Uske baad sab bakwas

Jaise ude cruise in topgun  
Jaise maare gayle match mein run  
Jaise kare pyaar shahrukh ko simran  
Waisa hi main pyar karun ye tera bharam

Kyunki main hoon nana ka seedha sadha pota  
Pyar vyar mujhse nahi hota  
Main toh online bhi kabhi kabhi hota  
3g ka pack khatam nahi hota

Hath mein daru nahi juice ka glass  
Banda hoon main seedha sadha itni si baat  
Bandi pati thi in 10th class  
Uske baad sab bakwas  
Hath mein daru nahi juice ka glass  
Banda hoon main seedha sadha itni si baat  
Bandi pati thi in 10th class  
Uske baad sab bakwas

Seb gira koi samjha gravitation  
Ladki dikhi koi samjha elevation  
Baap bana koi samjha dedication  
Breakup huaa main samjha celebration

Private beach pe i like to moonwalk  
Ek mera helipad on my rooftop  
Hoti baatein karta ni do the big talk

Ban meri criminal main tera robocop

Socha tha aisa gaana banaunga  
Daru aur bandi beech mein na launga  
Breakup party pe sabko bulaaunga  
Daru aur chicken nahi mangwaunga

Kyun ki hoon banda main shudh shakari  
Love story lagti hain filmo mein pyari  
Prevention is better than having bimari

Chupchap banjao bal brahmachari

Hath mein daru nahi juice ka glass  
Banda hoon main seedha sadha itni si baat  
Bandi pati thi in 10th class  
Uske baad sab bakwas

Aaj kal to swipe se bante hain rishte  
Shaadishuda bhi hai tinder pe dikhte  
Facebook pe status bade pyare pyare likhte  
Mujhe toh aap mein rab hain dikhte

Aaane wale samae mein na honghi shaadi  
Aaane wale samae sirf barbaadi  
Hamesha kehti thi nana se nani  
Peene wali bahu mujhe ghar nahi laani

Hath me daru nahi sab bakwas  
Hath me daru nahi sab bakwas

Hath mein daru nahi juice ka glass  
Banda hoon main seedha sadha itni si baat  
Bandi pati thi in 10th class  
Uske baad sab bakwas..
