

Heroes We Could Be Lyrics

English

Kyun na khudko aajmaaye
Chalo karle na ab chahe jo hum
Kyun na sapne jeet laaye
Kyun na ab khulke muskuraye ab hum

Koshishein tez ho, jeene mein craze ho
That's how we wanna be
Khwaabon ki race ho, full power chase ho
We can do anything

We could be heroes
We could be heroes, me and you
We could be heroes
We could be heroes, me and you

We could be

Par kahole udh jaayein
Rukein toh aasmaano pe hi hum
Udhaano ko hawa de,

Dikhla de kitna hum mein hai dum
Ziddi sa mood ho, yeh attitude ho
That's how we wanna be
Paani jo jeet ho, khud pe belief ho
We can do anything

We could be heroes
We could be heroes, me and you
We could be heroes
We could be heroes, me and you

We could be

We could be heroes
We could be heroes, me and you

We could be heroes

We could be heroes, me and you

We could be

Zindagi ziddi itni, jeet le hum har khushi

Jeet le hum har khushi

We could be

Zindagi ziddi itni, jeet le hum har khushi

Jeet le hum har khushi

We could be heroes

We could be heroes, me and you

We could be heroes

We could be heroes, me and you

We could be.
