

# Hey Girl (Title) Lyrics

---

## English

Romal music,

Hey girl aa mere paas,  
Don't be lonely,  
Kyun love diya baby hold it,  
Aa kar le pyar hum tum tonight,

I said hey girl,  
Dil de diya hai tujhko keep it,  
Jo dhoondti thi goonj si ve,  
My love for you will never die,

Main sab doon,  
Jo bhi chahe tu,  
Aa mere sang tonight,  
Na koi bhi baby just me and you,  
I'll hold you tight pyar ki ho height,  
But you never get enough,

Jaane jaan na hota hai,  
Jo hota hai yeh pyar,  
Jaane jaan na hota hai,  
Jo hota hai yeh pyar,

Pyar mein sambhalna,  
Toh mushkil hai yaar,  
Pyar mein sambhalna,  
Toh mushkil hai yaar,

Hey girl jo chahati hai tu just do it,  
Come close to me and girl just move it,  
And do what you feel no need to hide,

I said hey girl,  
Ankhon se dil mein hai jo be there,  
Dil ruk gaya girl it stop beating,

I know your love keeps me alive,

Main sab doon,  
Jo bhi chahe tu,  
Aa mere sang tonight,  
Na koi bhi baby just me and you,  
I'll hold you tight pyar ki ho height,  
But you never get enough,

Jaane jaan na hota hai,  
Jo hota hai yeh pyar,
