

Hey Kaala Bandar Lyrics

English

Yeah yeah okie

Yeah okie

Hey kala kala kala bandar

Bahar hai ya andar

Hey kala kala kala bandar

Jo dhundhe sikandar

Its was'nt me i swear

Everybody looking for da

Monkey out there

Hey kala kala kala bandar

Jo dhundhe sikandar

Its was'nt me i swear

Everybody looking for da

Monkey out there

Bring da kala bandar

Bring da kala bandar

Everybody looking for da

Monkey out there

Aao hum shisha dekhe

Apna sandesha dekhe

Apna ghayal hissa dekhe

Apna asli kissa dekhe

Ghonghat ki gehrai mein

Par phailai kaun

Jhak safed libason mein

Kala sa sach maun hai

Choose le choose le

Choose le choose le

Life ki bhaag le

Choose le choose le

Choose le choose le

Life ki bhaag le

Thak jhank thak jhank thak jhank

Dil mein bhi jhank le

Its was'nt me i swear

Everybody looking for da

Monkey out there

Bring da kala bandar

Bring da kala bandar

Everybody looking for da

Monkey out there

Kasmein to mumfhali

Jab jee chahe hum khaten

Upper se na na kartein

Par thali aage sarkaten

Ek thali ke chatee bateein

Armaan hai hatte katte

Natak yeh natak natak

Band kar do jhoot ka fataak

Choose le choose le

Choose le choose le

Life ki bhaag le

Choose le choose le

Choose le choose le

Life ki bhaag le

Thak jhank thak jhank thak jhank

Dil mein bhi jhank le

Saare rit rivaz hata kar

Dekho apne ghar ke anadar

Shyad kahin kisi kone par
