Tu mere dil ke branch pe  
O ho ho jal raha hoon tab se  
Main tere love ke aanch pe  
Haan iss dard ko tu aaraam de,  
Apane honto se mera naam le  
Hai you gungunaata hai tu kya,  
Hey you josh mein toh aa jara  
Hey you saath mein shake a wing,  
Hey you muskurumber ga jara  
Jab se you stole mera heart and soul,  
Khud pe raha na control mera

O muskurumber de de de de number
