## English]

Main kinu dass dikhaava  
Highlight karaale ball ve  
लिरिक्सबोगी.कॉम  
Main ki ki sochhi baithi  
Ki ki kaarna tere nal ve

Tenu ajkal pulda jandha  
Mera khayal ve mundeya

Meriyan addiyan vi hoiya  
Tur tur laal ve mundeya  
Teriyan gadiyaan te gadiyaan vich  
Tere yar ve mundeya

Meriyan addiyan vi hoiya  
Tur tur laal ve mundeya  
Teriyan gadiyaan te gadiyaan vich  
Tere yar ve mundeya

Naa tu mainu message karde  
Aape hi kaarna pahende  
Chuth nu sachh banaune  
Sachiyo jaarna painde

Naa tu mainu message karde  
Aape hi karna pahende  
Apani har gall manaune  
Mainu phir harna painde

Aidan gal ni nahi haye  
Tere mere daal ve mundeya

Meriyan addiyan vi hoiya  
Tur tur laal ve mundeya  
Teriyan gadiyaan te gadiyaan vich  
Tere yar ve mundeya

Meriyan addiyan vi hoiya  
Tur tur laal ve mundeya  
Teriyan gadiyaan te gadiyaan vich  
Tere yar ve mundeya

Jiss din tu russ jaana ae  
Do din naa roti khaava  
Ditte tere taddy bear joh  
Ohnu bass nochi jaava

Jis din tu russ jaana ae  
Do din naa roti khaava  
Ditte tere taddy bear joh  
Ohnu bass nochi jaava

Mani kitte oh naa kaarji  
Dil vich joh sochi jaava  
Tuttde pai supne jo vekhe  
Tere naal ve mundeya

Meriyan addiyan vi hoiya  
Tur tur laal ve mundeya  
Teriyan gadiyaan te gadiyaan vich  
Tere yar ve mundeya.
