

Hip Hop Ka Don Lyrics

English

Heer aankhdi ve jogiya
Jhooth bolein

Te kaun ruthre yaar manavda

Ustad ji!
Yeh kya kar rahe ho aap
Woh kariye na jo aap 4 - 5 saal pehle
College mein kiya karte the
Kuch bhi rocking sa macha dalo na

Kaun aaya, kaun aaya..
Ssshhh!

Hip hop ka don aaya
Yeah, humm hahaha
Haan

Barsne diya jinhone ne barasna tha
Aaj hum barasne wale hain
Aur samander chhote pad jayenge

Aage badh beta tujhme baat hi nahi hai
Mujhse tu lade teri aukat hi nai hai
Aage badh beta tujhme baat hi nahi hai
Mujhse tu lade teri aukat hi nai hai

Kaun aaya, kaun aaya, kaun aaya
Don aaya, don aaya, don aaya, don aaya
Hip hop ka
Kaun aaya, kaun aaya, kaun aaya
Don aaya, don aaya, don aaya, don aaya
Hip hop ka

Mere aane se rap seen me jaan aayi
Sab lelo gyan rap ki dukan aayi

Parchayi har jagah chahi meri
Mauka mila faad diya nhi ki deri
Hera pheri nhi karne ka
Baap aaya samne to phir ni akadne ka
Karne ka chhote mukabla jo tujhko
Pehle mere baare jake google pe bharne ka
Story meri gata hai sabko sunata hai
Mere baare bole tuje khud ko kya aata hai

Sadak chhap ghar ki khudon mein
Munh chipane wale saanp
Mera naam chada tujhe beta thand ki tarah
Dekh ladne se pehle tere hath rahe kaap
Tu 400 ka chinese mobile hai
Meri chamak jaise white house ki tile hai
Tu bahar se bomb ander se chuna
Idhar dekh shabdon se lais missile hai
Girunga beta tujhpe banke pramanu
Tu ghanta ukhad mera phir tujhe manu
Janu tere me jo dam hai
Tu sainik hai chhote senapati hum hain
Kam hai tere paas rap ki skill

Pregnant dimaag tera kha i pill
Oooh kya bool diya
Baaton hi baaton mein tujhe khol diya
Chala tha raste pe apne hi dhyan se
Neeche dekha aur tujhe kadmo me roll diya
Tu nahi basta, rhyme satsta bacha
Hasta rap hai khasta fasta
Naa hi thasta rasta nap sap kaamp
Baap hu mai rap game ka
Bhookha nahi main fame ka
Tu mujhe batayega rutba kya mere name ka

Tu theka main pub, tu balti main tab
Tu zero main sab, tu chela main rab
Tu cycle main car, tu patta main haar
Mai bhara bazaar, tu tatta gawaar
Tu jhopad main bangla, main paisa tu kangla

Tu tamba main gold, tu agli mai bold

Calls pe calls chalti hai baatein crore'on ki
Nahi dilchaspi jab baat ho rhi auron ki
Diss culture ko rahe dil se f*ck
Sher nahi aate jab race lagi ghodon ki
Maamuli sa lage sabko yaha tak aana
Aasan lagta hai mere jaisa likh pana
2 din guzare hote saath pata chalta
Ke kehte kise hain fatt ke hath mein aana

Dost nahi tha koyi jab zindgi thi kehar mein
Naam hote duba tha gumnami ki lehar mein
Tab kisi ne na pucha khana khaya beta
Aaj daawat pe dawat
Kyunki charche hain shehar mein
Ha-ha-ha

Kaun aaya, kaun aaya, kaun aaya
Don aaya, don aaya, don aaya, don aaya
Hip hop ka
Kaun aaya, kaun aaya, kaun aaya
Don aaya, don aaya, don aaya, don aaya
Hip hop ka

Don aaya, hip hop ka
Don aaya, hip hop ka
Don aaya, hip hop ka

F*ck teri baars dekh padi mere jutton mein
Nahi dilchaspi tujh jaise kutton mein
Shurun se hi raha lambi rase ka main ghoda
Fame mujhe sabse aage leke doudha
Maine sabko kar diya chakna choor
Mujhe dikhe na muqabla mera koso door
Mainu kehnde si tu kuch nai karna

Kalakari vich tu bukhe marna
Hassde si jad rap main ganda
Ajj oona te menu tars hai aaunda

Befikar hoke bolunga jaise main jackie shroff
Hard bole khud ko asal mein meethi sonf
Social sites pe bante hai biggie, nas
Jo saamne dekh mujhe ho jate jerk off

Dardta nahi maa kasam main nahi ya tu nahi
Rap karta hu main tumare jaisa ghoon nahi
Kya laga jad se maar ke mujhe faink doge
Rapstar hu balon mein chalne wali koi jun nai

Dhundo telescope se mujhsa mile jo shayar
Tere jaise saaf safai ko kiye hire
Scientists kahen tere paas alien brain
Chush liya hip hop main rap ka vampire

Mujhe toh ab koyi fikar nahi
Dekho chahe logon mein mera koi zikar nahi
Khatam ho jaye jis se meri kala
Banega aisa han koyi bhi trigger nai
Dar hai tujhe toh maula se dar
Jealousy ki aag mein itna na sadh
Chal neki ke raaste aage tu bhad
Phir bhi soch hai gatar toh yahin pe mar

Ab kisi ki na parwah
Bas manzil hi mera raah
Bhaad mein jao tum sabke sab
Rcr gaya hai aa

Kyu mainu ni pata mani khadi main kahta
Main jana mai aage main khade main takke
Main kita main kam na kitta aaram
Tahin karde ne saare meri kalah nu salam
Je hunn vi koyi deve dosh
Main saare karne theek
Mera aa gaya waqt
Mera ho gaya naam

Oye idhar aa
Haan bai

Kabhi rocket chalte dekha hai
Nahi

Ye dekho!

Chal beta aage bhad sath aake ladh
Meri speed badi teez tu muqabla to kar
Kar mere se do hath ya waar tu kar
Ek jhatke me beta tera khol dunga sar
Tere paas hunar tu ghar pe
Rahe paise wala star logon ke sar pe
Har hone lagi mere bare batten jagah jagah
Sab kre mujhe peeche kai baar aisa laga
Bol logon se kya lena dena mujhe mere bhai
Yaha apna bhi mera koyi nikala na saga
Aur halchal hogi bahi rappron ke dilon mein
Ke chin jane wala hum sabka taaj
Lyricsbogie.com
Aur gali gali hoga beta shor
Mere naam ke indian rap me rohit ka raaj
Sach mehnga mai itna tu beche ke khud ko
Karna payga mujhko afford
Koyi bachega na yaha
Mere kaam kaam ke kehar se lo
Aa gaya beta indian rap god

Ustaad ji g**d hi fatt gyi

Imandari ragg ragg me na aadat mujhe cheat ki
Demand bhad gayi pehle se zyada mere geet ki
Koi bhi fanne khan aajaye rap seen ka
Umeed peralize uski mere aage jeet ki
Dil ki baatein kisi se bhi karta nahi share
Khushiyon ke mekhano me gamon se karta cheer
Suna kai logon ko pasand nahi main aa raha
Go fck your self cuzz i don't fckin care

Diss culture se nata
Muddat se hi tod diya hai
Mujhe matt sikhao kya hota hai hip-hop
Ye sab likhna 4 saal pehle hi chhod diya hai

Ha-ha-haan

Kaun aaya, kaun aaya, kaun aaya
Don aaya, don aaya, don aaya, don aaya
Hip hop ka
Kaun aaya, kaun aaya, kaun aaya
Don aaya, don aaya, don aaya, don aaya
Hip hop ka

Don aaya, hip hop ka
Don aaya, hip hop ka
Don aaya, hip hop ka.
