

# Humba Leela Lyrics

## English

Raaten gayi baatein  
Gayi jo bhi hua bhool jaa  
Ab tu naye parivesh mein  
Duniya nayi phir basa  
Sooraj naya nikale agar  
Aasaan ho uska safar  
Kaate teri vaaris jise  
Lyricsbogie.com  
Wo fasalen bo sakta hai  
Aur tujhase kuch ho na  
Ho ye tujhase ho sakta hai  
Hamba lila hamba lilo hamba lile  
Chukuma tukuma tukuma  
Chukuma chukuma chile  
Hamba lila hamba lilo hamba lile  
Chukuma tukuma tukuma  
Chukuma chukuma chile

Aaj ham hain kal ham nahi  
Kal kuch bhi ho sakta hai  
Pyaar de pyaar le ye ek  
Daulat hai tu sabko de sakta hai  
Hamba lila hamba lilo hamba lile  
Chukuma tukuma tukuma  
Chukuma chukuma chile  
Aur tujhase kuch ho na  
Ho ye tujhase ho sakta hai  
Hamba lila hamba lilo hamba lile  
Chukuma tukuma tukuma  
Chukuma chukuma chile  
Hamba lila hamba lilo hamba lile

Sach kah raha hai aye  
Bekhabar kar le mera aitbaar  
Ye zindagi nemat khuda

Ki milti hai bas ek baar  
Yoon hi ise khona nahi  
Phir baad mein rona nahi  
Saansen teri hain ik ladi  
In ko piro sakata hai  
Aur tujhase kuch ho na  
Ho ye tujhase ho sakta hai  
Hamba lila hamba lilo hamba lile  
Chukuma tukuma tukuma  
Chukuma chukuma chile  
Aaj ham hain kal ham nahi  
Kal kuch bhi ho sakta hai

Bangalo mein hai mahalon  
Mein hai par neend aati nahi  
Daulat ka ik saagar  
Mila par pyaas jaati nahi  
Bhookha hai jo badanaam  
Hai santosh mein aaraam hai  
Gar chain ho dil mein  
Tere dharti pe so sakta hai  
Aur tujhase kuch ho na  
Ho ye tujhase ho sakta hai  
Hamba lila hamba lilo hamba lile  
Chukuma tukuma tukuma  
Chukuma chukuma chile  
Aaj ham hain kal ham nahi  
Kal kuch bhi ho sakta hai

Ye aadmi us aadmi  
Jaisa nahi hai to kya  
Are kuch karne ki taaqat  
To hai paisa nahi hai to kya  
Jisne kaha sach hi kaha  
Ye vaqt na ik sa raha  
Kismat kahe mehnat se  
Tu har daag dho sakta hai  
Aur tujhase kuch ho na  
Ho ye tujhase ho sakta hai  
Hamba lila hamba lilo hamba lile

Chukuma tukuma tukuma  
Chukuma chukuma chile  
Aaj ham hain kal ham nahi  
Kal kuch bhi ho sakta hai.
