

Humsafar (Title) Lyrics

English

Hai zindagi mein kaun humsafar tera
Kya puchhe auro se yeh sawal tera
Yeh sawal tera puchh usse
Jo saath hai har pal hi woh,
Woh hai jameer tera

Let me let me let me tell u
Let me let me let me walk, let me walk with u
I ve always been ther by ur side
Im sure u' ve often felt me close to u
Let me answer all u quetions now,
Let me be ur guiding light forever
Wont u keep the faith in me

Dost hai woh jaage har pal deewana,
Yeh jameer andhere ka hai ujaala
Faisala sachchaayi ka deta hai yeh,
Zindagi ka hai yeh na khuda

Dost hai woh jaage har pal deewana,
Yeh jameer andhere ka hai ujaala
Faisala sachchaayi ka deta hai yeh,
Jindagi ka hai yeh na khuda
Hai jindagi mein kaun,

Let me let me let me tell u
Ha humsafar tera,
Ive always been there by ur side
I m sure u ve often felt me close to u
Kya puchhe auro se
Let me answer all u quetions now
Har sawal tera
Let me be ur guiding light forever
Saath hai har pal hi woh,
Woh hai jameer tera, tera, tera

Wont u keep the faith in me

Just look inside urself my friend
U find the answer that u want to know
Just look inside urself my friend
U find the answer that u want to know
Just look inside urself my friend
