Husn samne hain tere raja
Sambhala tumhara
Bajne wala hai baaja

Yeh samaa aur yeh mastiyaan
Main hoon haseen aur tu hain jawaan
Yeh samaa aur yeh mastiyaan
Main hoon haseen aur tu hain jawaan
Hai ye raat pyaar ki bahaar ki nikhaar ki
Aa jaa meri baahon mein aa jaa
Husn samne hain tere raja
Husn samne hain tere raja
Sambhala tumhara
Bajne wala hai baaja

Gudgudi kyun hone lagi
Nahi nahi abhi nahin
Gudgudi kyun hone lagi
Nahi nahi abhi nahin
Ye ghadi umang ki
Rang ki tarang ki
Jaane jaana yeh
Khabar hai taazaa
Husn samne hain tere raja
Husn samne hain tere raja
Sambhala tumhara
Bajne wala hai baaja

Madbhari meri har ek adaa

Ye hain nasha jo chadhta gaya
Main abhi jawaan hoon
Mehfilo ki jaan hoon
Tujh pe meherbaan hoon
Main ab aa jaa
Husn samne hain tere raja
Husn samne hain tere raja
Sambhala tumhara
Bajne wala hai baaja
Sambhala tumhara
Bajne wala hai baaja.
