Main anpadh aur anath
Koi na mere sath
Awara firta hoon
Koi tham le mera hath
Are koi hai bhai
Jo tham le mera hath
Main anpadh aur anath
Koi na mere sath
Awara firta hoon

Koi tham le mera hath
Holi meri khali padi
Ek thi jholi khali padi
Holi mein koi aa jaye
Aa jaye mera ho jaye
Main bhi thoda pyar
Pau kisi ka didar pau
Mai bhi sudhar jau
I am john dmellow ding dong wala
Ding dong wala, ding dong wala
Jeb hai khali dil matwala
Dil matwala, dil matwala
Ding dong wala
Thoda amiro ko katu
Thoda garibo mein batu
Thoda amiro ko katu
Thoda garibo mein batu
Isiliye to khush hain
Hum par yaro uparwala
Ding dong wala
I am john dmellow ding dong wala
Ding dong wala ding dong wala
Jeb hai khali dil matwala
Dil matwala dil matwala
Ding dong wala

Jab krishmas aata hain
Hum bahut chadata hain
Chad jaye jo uski
Band bajata hain
Jab krishmas aata hain

Um bahut chadata hain
Chad jaye jo uski
Band bajata hain
Jully ki gali mein jau
Muli ka paratha khau
Muly ka paratha khake
Marry se main ankh ladau
Marry mujhe cake khilaye

Rozy mujhe roz bulaye
Jenny bhi pyar jataye
I am john dmellow ding dong wala
Ding dong wala, ding dong wala
Jeb hain khali dil matwala
Dil matwala, dil matwala
Ding dong wala
Thoda amiro ko katu
Thoda garibo mein baatu
Thoda amiro ko katu
Thoda garibo mein baatu
Isiliye to khush hai hum
Par yaro uparwala
Ding dong wala
I am john dmellow ding dong wala
Ding dong wala, ding dong wala
Jeb hai khali dil matwala, dil matwala
Ho ding dong wala, ding dong wala
Ding dong wala.
