

I Feel Lyrics

English

Black virus!

I feel tere naal mainu pyar ho gaya
I feel bahla hi sachi yaar ho gaya
I feel tere naal channa sab sohna ae
I feel ve tere baajon main rona ae

I feel main sohni laggun naal tere ve
I feel tere naal changey haal mere ve
Tainu ajj sab kehni aa
Jo gallan na tu suniya ne

Tainu naiyon pata sunle
Ve tu meri duniya ae
Bas mainu naiyo pata sunle
Ve tu meri duniya ae
I feel

Haan mainu ohna chir channa
Neend aundi na ve
Jinna chir photo teri dekh na lawan ve
Kadon kadon kadon oho banna sabab ve
Sanu ik dooje naal milau jadon rab ve
Haan i feel, i feel

I feel je tu ni taan main vi ni
I feel door hona reh vi nahi
I feel feel tu kyun karda nahi
I feel kyun sadde utte marda nahi

Chhed di aan teri copy karke
Jo mere naal diyan kudiyan ne

Tainu naiyon pata sunle
Ve tu meri duniya ae
Bas mainu naiyon pata sunle

Ve tu meri duniya ae
I feel

Haan kivein tainu dassan
Kinna pyar tere naal ve
Lyricsbogie.com
Meriyan sochan da bas
Tu hi ae khayal ve

Tere naal kinna sohna
Laguga jahaan ve
Teri aan main tu vi mera
Hoja harj maan ve
Haan i feel, i feel

I feel main tainu bada kuch kehna ae
I feel main sachi tere naal rehna ae
I feel ve supne oh sach honge
I feel ve hathan vich hath honge

Pauni viah utte kehdi roke te
Main dress an sab chuniya ne

Tainu naiyon pata sunle
Ve tu meri duniya ae
Bas mainu naiyon pata sunle
Ve tu meri duniya ae
I feel.
