

I Get It Lyrics

English

Yunan on the beat!
Dehradun ka mera khoon!

I was born for the microphone
Flow jaise cyclone
Bars bomb like a taliban
Born with a lava tongue
Kon mere sang?
Don mere sang!

Asla paas sanjay dutt!
List lambi lambe khat
Lambi soch lamba kad
Lamb biryani lambi chatt

Meri jitni bhi umar hai
Maine paaya lamba sab!
Mera kaam bada
Tum gaye naam mein ulajh

Naya flow monday tak
Aaj hai monday!
What the fu*k

Kari mehnat koyi ni dekhta
Main pehle din vivek thha
Apne sapno ke abu dabhi
Ka ikhota sheikh
Great pratyak date pe
Mate ke sang late night
Lete retake wo
Track pe name dekhke!

Dad ki late fate
Ab dekhte do bete
Pet bharke plate pe

Take pe take deke!

Bada bhai abhishek ka
Main tv par hoon dekh maa

Chal chal rukna nahi hai khench ke rakh

Mere jaise nahi hain
Waise to hain writers bahut
Main jis block mein rehte
Wo tere writers block!
Baat aag ki, miss fire
Yeh hain writers bot
Yeh bacche hain main baal
Kaatu jaise naai kis shop!

Nike shop se samaan
Jaise bhai ki shop
Main khud ko famous samjhu
Kyuki mere bhai hain bahut
Tu khud ko famous samjhe
Kyuki tere likes hain bahut!

Why the fuk maine Socha ke tu laayak hai! Fuk! Fuk! Fuk!

Dekh bete, firse eminem flow
Content bhi copy yeh bhi kehdo
Feel like j cole
Enough said bro!

Legendary feel hai meri
Yahi kehna hai tujhko

I get it!
Bro! I get it!
I get it!
I get it!
I get it! Yaah
I get it!

Aise baat kare jaise

Mere raaj jaane sare
Befizool ke shot
Mujhe aazmaana chaahre
Chaare gaane mein main
Naam lun clout ke deewane
Disaster hai bulaare
Catastrophe hai gaane!

Pehle haath mein pehna
Baad gaane mein bola
Hum tumse bahut behtar hain
Zamaane ne bola
Tune wo kuch ni kiya
Jo tune gaane mein bola
Paas thaane ke bula/bola
Kya khaate khane mein bhola?

I have a bad habit

To rhyme things bro
When i do it i feel like
A fu*king king bro
Jo bhi tu mann mein chaahre ho
Tumhe bhaari hi padega
Bars bomb!
Don't make me pull the pen/pin bro

Life hai episode
Drama karna mana hai
Drama kara jinhone
Sare kabar mein fana hai
Raaste par 9 rapper mile
Challenge kara mujhe
Unn 8 ko letaake hi to
Karma bana hai main

Kalamkaar nwa
Badmijaaj tum jab huye
Hum ban pisaach gaye
Sar pe naach

Sab kuch vinaash murder huye

You get it?

You get it!.
