

I Wanna Fall Fall In Love Lyrics

English

Mere iraadon pe na kar tu shaq
Dede mujhe apne dil pe zara haq
Hey mere iraadon pe na kar tu shaq
Dede mujhe apne dil pe zara haq
Oh baby i wanna wanna wanna fall fall
Fall in love fall in love
Fall in love love fall in love

Love me fallenge to we'll make merry
Tu jo mujhe mila i'll be lucky very
Love me fallenge to we'll make merry
Tu jo mujhe mila i'll be lucky very
Oh honey i wanna wanna
Wanna first first first first
First marry marry and
Then love no no no no
First marry oh and
Then love never never

Dekhe tujhe dil to kare dhak dhak
Karta rahunga pyaar na jayunga thak
Hey dekhe tujhe dil to kare dhak dhak
Karta rahunga pyaar na jayunga thak
Oh baby i wanna wanna wanna fall fall
Fall in love fall in love
Fall in love love love fall in love

Tujhko mujhe apna banana hoga
Dad-mom-bhaiyon ko manana hoga
O tujhko mujhe apna banana hoga
Dad-mom-bhaiyon ko manana hoga
O shonna i wanna wanna
Wanna first first first
All my life be with you you crazy
Chunnu munnu and me and you family

Romeo aur juliet pehle
Majnu ke love unfruitful hi rahe

Heer ranjha basu aur sapna
Pyaar mein unsuccessful hi rahe
Humko jo succeed karna hai exceed
Karna hai rehanmayi stuck
Spoil nahi karni hai ye good look
Love karenge full on without any jijak
Hey spoil nahi karni hai ye good look
Love karenge full on without any jijak
O sugar i wanna i wanna fall fall
Fall in love fall in love
Fall in love love fall in love

Whatever you say ye dil hai ready
Tere saath full life jaana hai steady
Whatever you say ye dil hai ready
Tere saath full life jaana hai steady
O dear i wanna wanna wanna fall fall
Follow you and your love hai la
Marry me right now mummy

Ye ladkiyan na inn ka bas one time
Shaadi shaadi shaadi
Why should i do my own barbadi
Why should i stop being
Faladi and lose my azaadi
In short first marriage box and then
Conditions apply.
