

# I Will Be Waiting Lyrics

---

## English

I we been waiting  
For the moonlight  
I we been waiting  
For the lonely sky  
All night, stranger  
In an own life  
I we been waiting for  
The life time for you

Kabhi toh aaye,  
Dabe paaon se tu,  
Mere khuwabon mein  
Hey you, hold me  
Closer, closer to you  
Itne paas ke main  
Ban jaaun teri khushboo  
I we been waiting,  
Waiting waiting for the  
Moonlight for you  
Jaan haari, dil haare,  
Lagey mujhe jeetna ve  
Agan jo laagi har  
Din ko nit rain jala ve  
Tu bhi toh aave  
Na kaise rab jaane  
Ek aanch bhi rahe  
Sheetal si meri rooh

I we been waiting for the lonely sky  
All night

Kyun uss paar tu, kyun iss  
Kinaare tanha khada main yeh sochta

Hoti agar tu saath ufat par,  
Haath tera na chodta,  
Kabhi na main chodta  
I we been waiting,  
Waiting waiting all  
My life for the lonely sky  
I we been waiting for  
A life time for you.
