

I'll Be Waiting (Kabhi Jo Baadal) Lyrics

English

You're beautiful
You criminal
Girl you took everything from me
Can't let you go
Like a general
I'm going into battle cause...

You stole the breath from my lungs
Cut my veins, bleeding love
Oh i still remember that scene..

Cuz i can see the tears running down your cheek
I can feel your body so close to me
I can hear the rain dropping at your feet
Cuz your love was gone

Koi nahi..mita de sabhi..

Twenty four by seven, i will be waiting
Out in the rain till somebody saves me
Don't care if it takes forever to make you believe

Kabhi jo baadal barse
Main dekhoon tujhe aankhein bharke
Tu lage mujhe pehli baarish ki dua

It's like a gun shot went straight through me
Stopped my heart from beating
No won't let you get away

Cuz i can see the tears running down your cheek
I can feel your body so close to me
I can hear the rain dropping at your feet
Cuz your love was gone

Kabhi jo baadal barse

Main dekhoon tujhe aankhein bharke
Tu lage mujhe pehli baarish ki dua

Tere pahloo mein reh loon
Main khudko paagal keh loon
Tu gham de ya khushiyaan
Seh loon saathiya

You're killin me
You're bad for me
So why do i feel such ecstasy?
Do you believe
Lyricsbogie.com
In you and me
How do i stop this jealousy?

I'll never stop fighting till you're with me
I built a castle and you're my queen
Just give me a chance to make you believe it again

Twenty four by seven i'll be waiting
Out in the rain till somebody saves me
Don't care if it takes forever to make you believe
Cause you've got to believe it...

Kabhi jo baadal barse
Main dekhoon tujhe aankhein bharke
Tu lage mujhe pehli baarish ki dua

Tere pahloo mein reh loon
Main khudko paagal keh loon
Tu gham de ya khushiyaan
Seh loon saathiya..

It's like a gun shot went straight through me
Stopped my heart from beating
No won't let you get away..
