Lagdi nasha tu kitta  
Manali walamanali wala

Lagta hum pehle mile  
Ya hua mujhe deja vu  
Idhar udhar kahaan dekhe  
Girl i'm talking to you  
Lyricsbogie.com  
Mujhe lagta jaan jaan ke  
Milti hai tu aksar  
Poori qayamat hogi  
Na chhodi hai koi kasar  
Top to bottom marks  
Tujhe diye maine 10 out of 10  
Kyon nahi chahiye chal ok then  
Bhare club me reh jayegi  
Billo phir kalli tu  
Kaun sambhalega tujhko  
Jab ho jaayegi talli tu  
Thoda hosh mein aa pagli ladki  
Kar meri baat pe gour  
Paap ka bhogi na bachayega  
Macha liyo phir jitna shor  
Main hi bachaunga  
Tujhko duniya se  
Kyunki main hun strong  
Jaise angreji picture mein  
Ladki ko bachata  
Hai king kong  
Just like that bilkul waise  
Bilkul shaktiman jaise  
Tujhko rakhunga main  
Baby apni jaan jaise

Maine tujhko bachaya  
Dekh karde meri chaahat poori  
99 ho chuki hai karwa  
De meri century

Billo rani jaawani teri  
Just like a fire!  
Tonight main hun dj so  
I'm gonna take you higher  
Billo rani jawaani teri  
Just like the fire!  
Tonight main hun dj so  
I'm gonna take you higher

Baby nachegi floor te  
Nache na nache  
Tennu beat nachaugi

Tonight baby it's your night  
Jo tu ho mere saath  
Jo tu ho mere saath  
Phir vekhi how i ride  
Phir vekhi how i ride  
Now feel the beat.
