

Interstellar Lyrics

English

Yeah, yeah, yeah..

Chashme laga ke rakhun circle mere dark hain

Tere ghar mein kamre hai

Mere ghar mein park hai

Indie pop revolution kiya phir se spark hai

Mit nahi paayega chhoda aisa mark hai

Teri bandi ki peeth par

Meri lambo ki seat par

Saari raat bandi teri loop pe laga ke rakhi

Subah 5 baje fir se kehti ke repeat kar (woh!)

Kya kya hi karun main poori duniya hai peeche

Kahaan jaake marun main?

Sare aam khulle aam karun main ayaashi

Jalne walon ko aur jalaake karun main

Mota hoon phir bhi teri bandi ko lagun appealing

Moti jeb, moti chain, moti meri dealing

Ek din bas aise hi jaake rolls royce le li maine

Launde lete reh gaye feeling

Launde puche scene kya hai?

Maine bola on hai

Launde puche competiton?

Maine bola gone hai

Launde puche bandiyan?

Maine bola bomb hain

Launde puche set hai kya?

Maine bola zone hai

Launde puche scene kya hai?

Maine bola on hai

Launde puche competiton?

Maine bola gone hai

Launde puche bandiyan?

Maine bola bomb hain
Launde puche set hai kya?
Maine bola zone hai

Kiya kitne kuch phir bhi mila nahi credit
Bolunga main sab sach bina koi edit
Kaamyabi cocaine hai to main hu addict
Iss saal ek hi motto motherfu***er lets get it
Jaise haq ho mera ghalti se jo diya
Wapas fuck do mera
Haraya jo bhi mere saamne aaya
Naam khabib koi rakh do mera

Bad-boy-shah banda unbeatable hai
Financially stable hai
Mentally unstable hai
Main aur mera phone dono ek jaise ho gaye hain
Dono unreachable hai
Inke gaane saare same lagte hain
Inke gaane saare lame lagte hain
Jis fame ke piche launde ye pade hai
Hum subah subah tatti mein wo fame hagte hai

Launde puche scene kya hai?
Maine bola on hai
Launde puche competiton?
Maine bola gone hai
Launde puche bandiyan?
Maine bola bomb hain
Launde puche set hai kya?
Maine bola zone hai

Launde puche scene kya hai?
Maine bola on hai
Launde puche competiton?
Maine bola gone hai
Launde puche bandiyan?
Maine bola bomb hain
Launde puche set hai kya?
Maine bola zone hai

Zone hai, zone hai...

Silent pe phone hai
Tu kon hai?
Main don hoon!
Tu kon hai?
Sab maun hai
Silent pe phone hai

Karun taaro ki sair
Dharti pe naa hai pair
Somebody tell her
I am interstellar

Karun taaron ki sair
Dharti pe naa hai pair
Somebody tell her
I am interstellar!

Aye, aye sabko pata hai
It's your boy badshah!

Rehne de!.
