English

Sadi taan vich hi rul gai prem kahani ji
Main c ode dil da raja dil di oh rani c
Vakh nai c hona chaundi odi majburi c
Guda c pyar hi ena bahoti na doori c
Akhiyan ladh jawan jad v
Nindan na pendiyan ne
Sajna di tang ch ehe
Har vele rehandiyan ne
Uchi tha laa ke yaari
Socha naal larda haan
Onu koi dosh na de ke
Aapne sir marda haan
Ethe tak safar jo oda
Chete naa pulna ae
Tenu nai pata chohana
Ode bin rulna ae

Pul di na pal v menu
Satt salla yaari c
Mauke te aake kismat
Saadi hi haari c
Sadi jo likhi kahani
Asli o patar c
One na kari chalaki
Kismat hi shatir c
Kinu hun daiye sunaha
Mudke ode aaune da
Katda na pora sabar v
Dil to ode chaune da
Supne c lambe ote
Khore kyo dakk laye
Kode c ghut sabran de
Jede one shak laye
Piche ta das ke jandi
Modan kinj kadiyan nu

Socha nu deyan ulambhe
Sikhran te chadiyan nu

Rabba onu keh de jaake
Yaadan v leja tu
Sadi ni sunni jekar
Aapni ta keh ja tu
Sidha dang dil nu janda
Masoom oda chehra c
Thode ku samme da oda
