English]

Teri paayi veeni assi wang ve jatta
Kar na jatti nu hun tang ve jatta
Teri paayi veeni assi wang ve jatta
Kar na jatti nu hun tang ve jatta

Gusse gail rehnde pyar vich chalde
Chal par thoda naal tang ve jatta
Russgi je mainu manaunda firega
Kad kad jatta tarle tu baad cho

Jitho jatta teriyan bandookan aundiyan
Lai de mainu suit islamabad ton
Jitho jatta teriyan bandookan aundiyan
Lai de mainu suit islamabad ton

Chal di jadovan kite goli mitran ve
Naam aida aunda picho hauli hauli mitran
Raunda ne drame hunde phona utte kaam hunde
Rakh da glockan di tu jodi mitran
Vaakif mandir phire pair dabb di
Gundeyan waale vi thodi andaaaj ton

Jitho jatta teriyan bandookan aundiyan

Lai de mainu suit islamabad ton
Jitho jatta teriyan bandookan aundiyan

Mere hath jatta teri mehendi digg de
Baithi main mohali teri raah dekhdi
Jinne kol si sab naam tere ve
Tere kinne baaki ve main saah dekhdi

Shree brar udd janda chain raata nu
Tutt paine teri chandare khyaal ton

Jitho jatta teriyan bandookan aundiyan
Lai de mainu suit islamabad ton
Jitho jatta teriyan bandookan aundiyan

O masla masla masla

Karanchio mangadu jhanjharan
Peshawaro mangadu billo asla
Lahor ton mangadu jhanjharan
Peshawaro mangadu tainu asla.
