---

## English

Its rain rain its rain rain  
Its rain rain its rain rain  
It gives us pain  
Its rain rain its rain rain  
It gives us pain

Aur bad jati hai is dil ki  
Jalan barish me barish me  
Aur bad jati hai is dil ki  
Jalan barish me barish me  
Ishq ki aag lagati hai  
Agan barish me barish me  
Ishq ki aag lagati hai  
Agan barish me barish me  
Its rain rain its rain rain  
It gives us pain

Sanse meri jaan niklane lagi  
Jal me sanam mai to chalne lagi  
Sanse meri jaan nikalne lagi  
Jal me sanam mai to chalne lagi  
Chahat ka alam machalne laga  
Garmi se teri pighalne laga

Kitna tadpati hai  
Kitna tadpati hai  
Mosam ki chuban  
Barish me barish me  
Aur bad jati hai is dil ki  
Jalan barish me barish me

Sawan pe jaise Khumar aa gaya  
Dilbar mujhe tujhse Pyar aa gaya  
Sawan pe jaise Khumar aa gaya  
Dilbar mujhe tujhse Pyar aa gaya

Dilwar mujhe tujhse Pyar aa gaya  
Bechainiyo ko karar Aa gaya  
Dilbar mujhe Tujhpe pyar aa gaya

Jism bahakati hai  
Jism bahakati hai  
Hotho ki chuan  
barish Me barish me  
Ishq ki aag lagati hai  
Agan barish me barish me  
Aur bad jati hai is dil ki  
Jalan barish me barish me  
Ishq ki aag lagati hai  
Agan barish me barish me

Its rain rain its rain rain  
Its rain rain its rain rain  
It gives us pain  
Its rain rain its rain rain.
