Shri krishnan govind gopalam

Jaaga naya savera andhiyara dhal gaya

Jaaga naya savera andhiyara dhal gaya

Tute jagat ke bandhan jivan badal gaya

Jaaga naya savera andhiyara dhal gaya

Apno ki moh maya jhuti barat ho

Sukh dukh ka yeh kabila bande ke sath hai

Isko samjh ke bachna apne hi hath hai

Vedo ka sar isme chhoti si baat hai

Aankhon ne jab yeh parkha sankat hi tal gaya

Jaaga naya savera andhiyara dhal gaya

Chhal aur kapat mein uljha firta hai aadmi

Karta hai jag mein jaisa bharta hai aadmi

Sab kuch samjh ke kuch na samjha hai aadmi

Jaaye na sath kuch bhi jata hai aadmi

Socha yeh jisne uska har pal sambhal gaya

Jaaga naya savera andhiyara dhal gaya

Jhute hai sare bandhan sanso ke tar ke

Rakh de re jag ka bojha jag mein utar ke

Samshan ki chitaye kehti pukar ke

Aana yaha padega manav ko haar ke

Unche gagan pe chad ke suraj bhi dhal gaya

Jaaga naya savera andhiyara dhal gaya

Tute jagat ke bandhan jivan badal gaya

Jaaga naya savera andhiyara dhal gaya.
