## English

Gal sunlo hazur tohada gussa ae fazool,  
Sunlo hazur tohada gussa ae fazool,  
Pyar vich vaada-ghata hunda ae,  
Kyun naina chon byas wagda,

Jaan jaan ke satauna tainu sohniye manaona,  
Bada changa lagda,  
Jaan jaan ke satona tainu russi nu manona,  
Bada changa lagda,

Ni tu gusse vich hor sohni lagge channiye,  
Na yaar de kahe da kadi bura manniye  
Ni tu gusse vich hor sohni lagge channiye,

Na yaar de kahe da kadi bura manniye

Mukh laal tera hoye aidan nakhro,  
Ni laaltein hove jagda,

Jaan jaan ke satauna tainu sohniye manaona,  
Bada changa lagda,  
Jan jan ke satona tainu russi nu manona,  
Bada changa lagda,

Dil apne nu baar-baar samjhawaan,  
Bhaida mannda ni gall dass kiven nath paavan,  
Dil apne nu baar-baar samjhawaan,  
Bhaida mannda ni gall dass kiven nath paavan,

Sochan kiven thandi karaan tainu yankene,  
Tu sek pura maare agg da,

Jaan jaan ke satauna tainu sohniye manaona,  
Bada changa lagda,  
Jaan jaan ke satona tainu russi nu manona,  
Bada changa lagda,

Tera roop nira beejli di taar balliye,  
Ajj naina wali daaru mainu chaad baliye,  
Tera roop nira beejli di taar balliye,  
Ajj naina wali daaru mainu chaad baliye,

Naushere wala sodhi tainu laduga ni haar,  
Diamond de nagg da,

Jaan jaan ke satauna tainu sohniye manaona,  
Bada changa lagda,  
Jaan jaan ke satona tainu russi nu manona,  
Bada changa lagda,

Haaye ni jaane changa lagda,  
Sachi ni jaane changa lagda,  
Haaye ni jaane changa lagda,  
Sachi ni jaane changa lagda..
