Teri har ada sitam hai jaan leva  
Tera ishq to haan ishq to haan ishq to  
Tera ishq to bharam hai jaan leva  
Jaan leva jaan leva jaan leva

Oh oh oh  
Dil hai bechain main pareshaan  
Dillagi mein nikle na jaan  
Mere sapne tere apne  
Zindagi mein laya toofan  
Tera mujh pe jo haan haan haan  
Tera mujh pe jo haan haan haan  
Tera mujh pe jo karam hai jaan leva  
Tera ishq to bharam hai jaan leva  
Jaan leva jaan leva jaan leva

Hey no body loves me better  
Makes me happy makes me feel this way  
Hey no body loves me better  
Makes me happy makes me feel this way  
Kya karoon mann jatan oye oye oye  
Jalta hai yeh badan oye oye oye  
Tere bina ab kahin mera laage nahin mann  
Soona soona hai jeevan oye oye oye  
Tu kahan hai magan oye oye oye

Kar mujh pe rahem  
Tujhe meri hai kasam  
Oh dil mein teri lagan hai jaan leva  
Ek bhadki si agan hai jaan leva  
Har ada har ada har ada  
Teri har ada sitam hai jaan leva  
Jaan leva jaan leva jaan leva  
Jaan leva jaan leva jaan leva  
Jaan leva jaan leva jaan leva.
