

Jaane Kya Baat Lyrics

English

Jane kya baat hai jane kya baat hai
Jane kya baat hai jane kya baat hai
Neend nahi aati badi lambi raat hai
Jane kya baat hai jane kya baat hai
Jane kya baat hai jane kya baat hai
Neend nahi aati badi lambi raat hai

Sari sari raat mujhe isne jagaya
Sari sari raat mujhe isne jagaya
Jaise koi sapna jaise koi saya
Koi nahi lagta hai koi mere sath hai
Jane kya baat hai jane kya baat hai
Neend nahi aati badi lambi raat hai

Dhak dhak kabhi se jiya dol raha hai
Dhak dhak kabhi se jiya dol raha hai
Ghunghat abhi se mera khol raha hai
Dur abhi to piya ki mulakat hai
Jane kya baat hai jane kya baat hai
Neend nahi aati badi lambi raat hai

Jab jab dekhu main ye chand sitare
Jab jab dekhu main ye chand sitare
Aisa lagta hai mujhe laz ke mare
Jaise koi dori jaise barat hai
Jane kya baat hai jane kya baat hai
