Pyaar karne ka humse irada karo

Raat hain chandani chandani raat hain  
Dil me taaro bhari utri baraat hain  
Raat hain chandani chandani raat hain  
Dil me taaro bhari utri baraat hain  
Chand suraj tere sab nazaare tere  
Tu jo mil jaaye jaan ye sitare tere  
Dil ye de du tujhe dil ki aukat kya  
Jaan de du tujhe jaan ki baat kya  
Teri khatir jiyu teri khatir maru  
Marte marte bhi main bas itna kahu  
Chahe kam kam karo chahe zyada karo  
Chaahe todo chaahe todo  
Magar ek waada karo  
Pyaar karne ka humse irada karo  
Pyaar karne ka humse irada karo

Ek tu hai anaar yaha sau hai bimaar  
Jo bhi dekhe tujhe use chadhata bukhaar  
Ek tu hai anaar yaha sau hai bimaar  
Jo bhi dekhe tujhe use chadhata bukhaar  
Tere jalawo se koyi yahaan kaise bache  
Inn aankhon se nikale talab mein fase  
Hai do aatasha tera shola badan

Tere didaar se ho jaaye jashan  
Tujhe paane ko main har bagaawat karu  
Iss jahan se ladu katlokhaarat karu  
Itani chaahat tumhe iss jamaane ne di  
Aise aashiq ki kuchh toh khushaamat karo  
Pyaar karne ka humse irada karo  
Pyaar karne ka humse irada karo  
Jaaneman hum se  
Jaaneman hum se aaj ek waada karo  
Jaaneman hum se aaj ek waada karo  
Pyaar karne ka humse irada karo  
Pyaar karne ka humse irada karo  
Pyaar karne ka humse irada karo  
Pyaar karne ka humse irada karo
