Man mein jharne bahte hai  
Ho koi mane ya mane na sajna ho  
Jab do dil milte hai tab aisa hota hai

Pyar ka koi mol nahi  
Itna hasi koi bol nahi  
Pyar ka koi mol nahi  
Itna hasi koi bol nahi  
Pyar dilo ki hai dhadkan,  
Dil hai mohabbat ka darpan  
Dil hai mohabbat ka darpan  
Jab do dil milte hai tab kaisa hota hai  
Jab do dil milte hai tab kaisa hota hai  
Andhi me diye jalte hai,  
Ho koi mane ya mane na sajna ho  
Jab do dil milte hai tab aisa hota hai

Is dil ka arman hai  
Tu dil kya meri jan hai tu  
Is dil ka arman hai  
Tu dil kya meri jan hai tu  
Aanch na koi aye tujhe,  
Meri umar lag jaye tujhe  
Meri umar lag jaye tujhe  
Jab do dil milte hai tab kaisa hota hai  
Jab do dil milte hai tab kaisa hota hai  
Patjhad mein gul khilte hai  
Ho koi mane ya mane na sajna ho  
Jab do dil milte hai tab aisa hota hai

Tujhse door agar jau,  
Tujhse door agar jau

Apne ap se ghabrau  
Bin tere jina muskil bin  
Tere marna musil  
Bn tere marna muskil  
Jab do dil milte hai tab kaisa hota hai  
Jab do dil milte hai tab kaisa hota hai  
Khusi ke ansu chalkate hai  
Ho koi mane ya mane na sajna ho.
