Lyricsbogie.com  
Jara dhire se aana aana balam  
Jara dhire se  
Thodi rat ho dhali hogi khidki khuli  
Jara dhire dhire dhire se tum aana balam  
Jara dhire se ho aana aana balam  
Jara dhire se  
Jab suni ho gali hogi khidki khuli

Log yaha ke bade hi jalim  
Bade hai teer andaz  
Aashik logo ke kadmo ki  
Pahchane aawaz  
Log yaha ke bade hi jalim  
Bade hai teer andaz  
Siti nahi bajana kahi khul na jaye raj  
Jara dhire dhire dhire se tum aana balam  
Jara dhire se ho aana aana balam  
Jara dhire se  
Jab suni ho gali hogi khidki khuli

Sans badake kadam tikake  
Meri sidhi chadna  
Aajau jab mahfil me to  
Fir na tum darna  
Sans badake kadam tikake  
Meri sidhi chadna  
Apni baho me leke tum  
Ye nahi kahna ki  
Jara dhire dhire dhire se tum aana balam  
Jara dhire se ho aana aana balam  
Jara dhire se

Jab suni ho gali hogi khidki khuli

Sar ko tere sine pe rakh kar  
Dil tera bahlau  
Tere garmi se apna aap jalau  
Sar ko tere sine pe rakh kar  
Dil tera bahlau  
Apne aap se jalkar hi  
Mai apni aag bujhau  
Jara dhire dhire dhire se tum aana balam  
Jara dhire se ho aana aana balam  
Jara dhire se  
Jab suni ho gali hogi khidki khuli.
