Jag ek sagar jivan hai naiya
Jag ek sagar jivan hai naiya
Sabka khivaiya yahi naam

Hum sabko tare dukh se ubhare
Yahi saware sare kam

In charno me jo bhi aaye
Uska janam safal ho jaye
Ye pathar ko paras kar de
Ye kanto me phul khilaye
Inhe karo lakho parnam
Bolo ji bolo sataynarayan
Jai jai sataynarayan
Jai jai sataynarayan

Mat pita guru sham sakha re
Sabka palan hara sabka palan hara
Bhavsagar ke bhav me bhandu re
Parbhu ka naam kinara
Parbhu ka naam kinara
Maya thagni thag na paye
Maya thagni thag na paye
Bhuto ke ho jab ye naam
Bolo ji bolo sataynarayan
Jai jai sataynarayan
Jai jai sataynarayan

Gao re gao re gao
Aao milke hari ke gun gao
Gao re gao re gao
Aao milke hari ke gun gao
Lao re puja ke phul chadao
Bhakti ke dip jalao
Om hari om
Jhuta sara sansar yaha
Jivan aadhar yahi
Rup nirakar
Kare sapne sakar

Dawar parbhu ke shish jhukao
Dawar parbhu ke shish jhukao
Yahi milega sukh ka dham
Bolo ji bolo sataynarayan
Jai jai sataynarayan
Jai jai sataynarayan
Jag ek sagar jivan hai naiya
Jag ek sagar jivan hai naiya
Sabka khivaiya yahi naam
Bolo ji bolo sataynarayan
Jai jai sataynarayan
Jai jai sataynarayan

Dukh bhanjan nam tera
Dukh harna nam tera
Tu hi har kasth nivare
Jo chahe jo mange
Jo mange wo paye
Jo jaye parbhu tere daware
Jai jai sataynarayan
Jai jai sataynarayan.
