## English

Jaise tu karega main bhi karunga  
Main bhi karunga ha main bhi karunga  
Jaise tu jiyega main bhi jiyunga  
Main bhi jiyunga ha main bhi jiyunga  
Peena vina chhod de batli ko tod de  
Peena vina chhod de batli ko tod de  
Varna teri ma kya bola  
Varna teri ma ko bata dunga  
Tu meri ma ko batayega  
Ye meri ma ko batayega sala  
Jaise tu karega main bhi karunga  
Main bhi karunga ha mai bhi karunga

Beta na kisi ka na koi meri ma  
Ha ha tu to paida huya ma ke bina  
Beta na kisi ka na koi meri ma  
Ha ha tu to paida huya ma ke bina  
Ja ja mujhe chhed ke yu gussa na dila  
Gussa tera gussa kya hai dekhu to zara  
Tera jeena bhi koi jeena hai  
Tera jeena to daru peena hai  
Peena vina chhod de batli ko tod de  
Peena vina chhod de batli ko tod de  
Varna teri bend baza dunga  
Achha tu meri bend bazayega  
Baza baza ja bache bend baza  
Jaise tu karega main bhi karunga  
Main bhi karunga ha main bhi karunga

Nashe mein hai chal tu sambhal ke zara  
O ungali pakad ke tu chalna sikha  
Nashe mein hai chal tu sambhal ke zara

O ungali pakad ke tu chalna sikha  
Ja ja mera pichha chhod aage bad ja

Mujhe kya padi hai ja suli chad ja  
Jeene se mere ji bhar gaya hai  
Zinda kaha hai tu mar gaya hai  
Peena vina chhod de batli ko tod de  
Peena vina chhod de batli ko tod de  
Varna tere hosh uda dunga  
Tu mere hosh udayega arey  
O main tere hosh uda dunga, ja  
Jaise tu karega main bhi karunga  
Main bhi karunga ha main bhi karunga

Chal ghar chal rat dhal jayegi  
Dhal jayegi to phir kal aayegi  
Arey chal ghar chal raat dhal jayegi  
Dhal jayegi to phir kal aayegi  
Kal tak pi ke tu mar jayega  
Mar jauga to tera kya jayega  
Wada kiya hai sath jiyenge  
Lagta hai ba to sath marenge  
Tu jo kahi kho gaya  
Arey tujh kuch ho gaya  
Tu jo kahi kho gaya  
Arey tujh kuch ho gaya  
Duniya ko aag laga dunga  
Jaise tu karega main bhi karunga  
Main bhi karunga ha main bhi karunga  
Jaise tu karega main bhi karunga  
Main bhi karunga ha main bhi karunga.
