Dil Mein Apne Dildaari Hai
Khoon Mein Khaatirdari Hai
Dil Mein Apne Dildaari Hai
Khoon Mein Khaatirdari Hai

Chaand Ke Jhoomar Ke Neeche
Jashn Ki Full Taiyaari Hai
Oh Ho Chaand Ke Jhoomar Ke
Niche Jashn Ki Full Taiyaari Hai

Dil Ka Pinjra Hai Khulla Aage Tere Insha Allah
Aaj Tu Yaar Tera Yeh Bulla Oh O Oh Ho

Chahe Jitni Ho Raat Kaali
Hum Bana De Usko Diwali

Samjhe Janab E Janab E Janabe Ali
Samjhe Janab E Janab E Janaab E Aali
Ghol Ke Angrezon Wali Dhun Mein Thodi Si Qawwali
Janab E Janab E Janab E Ali

High High High
Trippin High High High
Trippin High High High
Trippin High

I Am Trippin High High High
Trippin High High High

Trippin High High High
Trippin High

Chahe Jo Zamaana Kare Kitna Bahaana Kare
Hum to Mauj Bhai Lootenge
Todh Lenge Jaake Saare Aasmaan Ke Taare Ware
Okhli Mein Hum Kootenge

Rabb De Bande Chhadd Ke Dhande
Ud Gaye Jogi is Jogan De

Uski Hi Khaatir Jiyenge Ya Mar Jaayenge
Aaj Mehbooba Ki Tarah Isko Sawarenge
Raat Ko Dheere Dheere Sheeshe Mein Utaarenge

Mat Rakhna Aise Mein Yaara
Pal Bhar Ko Bhi Jaam Khaali
Samjhe Janab E Janab E Janab E Aali
Samjhe Janab E Janab E Janab E Aali

Jism Hi Kya Humne Yaari Ke
Rang Mein Rooh Hai Rang Dali
Janab E Janab E Janab E Aali

High High High
Trippin High High High
Trippin High High High
Trippin High

Apne Sheher Mein Jitni Sharaab Woh Saari Mangwa Li
Samjhe Janab E Aali Samjhe Janab E Aali
